EVENT HIGHLIGHTS

EXPO 2023

Attendance:

The expo witnessed an impressive turnout of 8754 attendees, including representatives from 12 countries. The diverse audience included water industry leaders, researchers, policymakers, technology providers, and more.

Networking Opportunities:

A dedicated networking area facilitated valuable connections among attendees, enabling professionals to exchange ideas, collaborate, and forge partnerships.

Exhibitor Engagement

The expo featured 92 exhibitors who showcased a wide range of products and services related to water treatment, purification, conservation, and management. Attendees had the opportunity to explore cutting-edge technologies, equipment, and solutions.

Workshops and Training:

Interactive workshops and training sessions were conducted by industry experts, providing participants with hands-on experience and practical insights into the latest trends and techniques.

Conference Sessions:

The event's comprehensive conference program featured 8 sessions with 12 expert speakers. Topics covered included sustainable water management practices, emerging water treatment technologies, policy insights, case studies, and more.

Knowledge Sharing:

Renowned speakers shared insights during keynote presentations, shedding light on global water challenges, policy frameworks, and the role of technology in achieving water security.

CAPTURING MOMENTS

A Visual Journey through the Expo Experience

18th EverythingAboutWater Expo 2023 | Post show Report

TESTIMONIALS

"PCI Gases participated in the Everything About Water exhibition this year for the first time. We are pleased with the event's organization, the exhibitors, technical conference quality, attendee interest, and visitor turnout at our booth. Thanks to the management for their efforts. Our experience with guest management and the event atmosphere was also positive."

• **Muskaan Agarwal**
PCI Gases

"The event was a great opportunity for professionals in the industry to gather and exchange insights about water sector advancements. We were happy to take part in the Water Expo and thank your team for arranging this informative event. The connections, insights, and experiences gained have truly enhanced our professional development."

• **Maheshwar Dhiman**
JS Water Energy Life Co. Pvt. Ltd.

"I'd like to express my heartfelt gratitude for the incredible support you've provided to us, and extend this gratitude to the entire EverythingAboutWater Team. Our experience has been nothing short of amazing. With 100+ visitors at our booth, we truly had a fantastic time. Thank you once again for making it all possible."

• **Sanjay Bahl**
Superweld

"We had a positive experience at the EverythingAboutWater Expo. The quality of customers was impressive, and the overall event was well-organized. However, we did have higher expectations for the leads generated from the event. Despite this, it was a valuable experience overall."

• **Ashok Kumar Vishwakarma**
Mini Dose Solution Pumps

"Excellent expo experience! The staff was exceptional and the event fully met my expectations."

• **Kuldip Kumar**
Responden precision engineering

"We are writing to express our overall satisfaction with the EverythingAboutWater Expo that took place recently. We found the entire experience to be informative, engaging, and well-organized."

• **Mr. Lalit Nankani**
Vasu Pharmatech

"Excellent logistics and shuttle services provided during the EverythingAboutWater Expo. The arrangements were well-thought-out and efficiently executed, making the overall experience highly satisfactory."

• **Mathikrishnan.S**
Ti Anode Fabricators Pvt. Ltd.

"The EverythingAboutWater Expo was a well-organized event with excellent planning and infrastructure. The courteous staff added to the positive experience."

• **Chanchal Dasgupta**
Borouge (India) Pvt Ltd

"I would like to express my heartfelt appreciation for the impeccable organization of the Water Expo. The pleasant weather within the hall added to the overall experience, and the helpfulness of the staff further enhanced the event's success."

• **Mohinder Pal Garg**

"Kudos to the organizers for creating a platform that not only educates but also inspires positive action towards sustainable water management. I'm leaving the EverythingAboutWater Expo with a wealth of knowledge and renewed enthusiasm to contribute to a water-secure future."

• **Krishna Sarki**
Anchrom Enterprises (I) Pvt. Ltd.
