# POST SHOW REPORT 2019

Everything About Water Expo, supported by **Government of Maharashtra, MIDC, Central Ground Water Board, ASSOCHAM & Delhi Jal Board**, saw the prestigious presence of a number of dignitaries including **Shri G C Pati, Member, Central Ground Water Board, Shri Shalabh Kumar, Member– Water Supply, Delhi Jal Board, Andrew Smith – Minister (Commercial) High Commission of Canada, New Delhi, Shri R.S.Tyagi, Retd–Member, Delhi Jal Board** and many others.

The EverythingAboutWater Expo 2019 witnessed the largest gathering of water & wastewater professionals in India. For the first time ever, over 180 exhibitors across the world showcased their technologies at an event in India.

Over the past 16 years, the event has emerged as a perfect gateway for stakeholders from across the globe to penetrate into the vast and dynamic ecosystem of the Indian water industry to identify business opportunities, network key stakeholders and introduce water solutions in India.

## EXPO STATISTICS

The exhibitor participation from both domestic as well as International companies and a large number of visitors augur well for the Indian Water Industry and reflected the strong state of the water market. Companies and visitors took full advantage of opportunities to exchange ideas and information; numerous business opportunities were generated and cooperation agreements reached. The event was well booked days before the opening date.

The show has clearly emerged as the premier water show in India and this is affirmed by the fact that we had **CLOSE TO 60% OF SPACE REBOOKED for 2020 expo.**

## CONFERENCE & TRAINING PROGRAM

The 16th EverythingAboutWater Conferences and Training Programs brought the best of the experts on all three days, trainers and delegates under one roof.

Studded with the best of speakers and experts in water management from around the world, the conference & training programs saw key experts followed by trainers and delegates from the Government and Public Health Departments, system integrators and OEMs, senior operation and project managers from Industries, Consultants and Contractors etc.

Participants attending the sessions not only gained knowledge on technological developments but also had the opportunity to network with experts.

## EA WATER CONCLAVE

I am very much happy with the expo. I got good number of visitors at stall. Many people attended the expo. It was highly organized. I am 98% happy.

Zon Wei  
SHANGHAI KENT

The expo is good. I am happy with the good number of visitors on my stall.

Vishal Singh  
DEERFOS MEMBRANE

I am very happy with the expo. We got more than 100 enquiries which is great for us. Also, I appreciate the good quality of visitors here in the expo and that came to our stall as well.

Siddharth Singh  
MICRO TRANSMISSION SYSTEMS

I like vividity in the participants.

Ritesh Poorey  
Shakti Pumps (I) Limited

Excellent show

Hemant Gupta  
Shruti Organics & Chemicals

Excellent work

Rikado  
Fengbao Valve Manufacturing Co. Ltd.

Very Good  
Keep the good service

Tian Jingjing  
Kaifeng Shengda Water Meter Co. Ltd.

Training Topic and trainer was very good. I am very happy with the arrangements. Focus on new innovative technology for waste treatment apart from existing one.

Binit Kumar – Sr. Manager  
Two Square Eco Technologies Pvt Ltd

I am happy with training programme. Conversation and examples are good and in future focus on energy efficient treatment plants.

Bineesh P.  
Technical Co-Ordinator  
Pure Solutions

Got to know about training from mkt people which was excellent. In future I would like to attend RO Training.

Rajesh Kumar Jha  
Crystal Ion Engineers

I am very happy to attend exhibition and conference. Overall arrangement was very good.

Delhi Jal Board  
Sh. S.C.Vashishit – Chief Engg (S.D.W.)

Training was very good and its very comprehensive guide about sewage water treatment. I would suggest a new training topic on Raw/Effluent Water Treatment for oil & Gas industry.

ONGC Petro Addition Ltd.  
Kaushik Das – Asst. Manager

I am happy to become a part of training. It was very good and trainer is excellent. Training about the basic of water treatment and practical as well theoretical knowledge of trainer which I really like it.

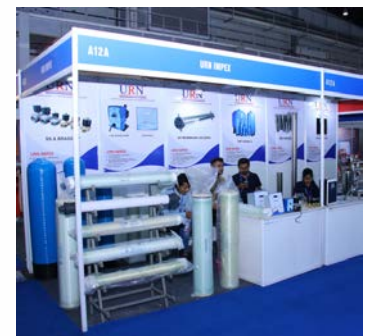

Manmeet Gautam – A.V.P. Engg.  
Nahar Spinning Mills Ltd

I received e-mail regarding the training and training topic, trainer is very good. I would suggest please arrange training on Petroleum industry effluent treatment & design.

Vinay Bansal – Sr. Executive  
ONGC Petro Addition Ltd.

## INTERNATIONAL PAVILIONS

Extending the international presence from the previous editions, the 16th EverythingAboutWater Expo 2019 had participation by over 22 countries from across the globe.

# EXP

SOUTH ASIA'S LARGEST EVENT

## Redefining THE INDIAN WATER INDUSTRY

EverythingAboutWater Expo is one of the most unique and comprehensive annual water events in India showcasing latest technologies in the water and wastewater management sector. Also recognized as South Asia's largest water event, this water event is a perfect gateway for stakeholders from across the globe to penetrate into the vast and dynamic ecosystem of the Indian water industry to share business opportunities, network and explore innovative water solutions.

With increasing consumption of water in agriculture and potable areas, India is expected to be severely water stressed by 2025. Rapid industrialization and growing population have widened the water demand–supply gap for which both the Central and State governments are deeply concerned. Under this umbrella the 17th EverythingAboutWater Expo 2020 will offer unparalleled business opportunities to both national as well as international players from the water industry to learn, explore the future trends in the Indian water market.
