POST-SHOW REPORT

India's Water Industry gives top marks to EverythingAboutWater Expo 2006.

The 3rd EverythingAboutWater Expo 2006– South Asia's largest trade fair for the Water and Wastewater sector took place at the NSIC Exhibition Centre in New Delhi, India from 9 – 11 February 2006. The show was an outstanding opportunity for the companies to display their products and technologies. Jointly organized by EA Water Pvt. Ltd. and ASSOCHAM, the show was great success generating excellent response from both exhibitors & visitors.

The international event was inaugurated by Mr. Kumar, Chairman cum Managing Director, National Small Industries Corporation Ltd. and Ms. Desiree Bonis, Acting Ambassador, Embassy of Netherlands.

EverythingAboutWater Expo 2006 is now proven as the best show in the water and wastewater sector. Our clients- the exhibitors, visitors and supporting associations, have found the show highly satisfying and many have already confirmed their participation in 2007. Industry expectations were exceeded by the show's third edition. Here are some key highlights:
