India

7th EverythingAbout Water International Exhibition & Conference on Water & Wastewater Management

The 7th EverythingAboutWater International Exhibition & Conference on Water & Wastewater Management was inaugurated by the Chief Guest, Mr. AC Muthiah, Chairman, SPIC Group, one of the largest industrial groups in the country on January 7, 2010 at the Chennai Trade Centre. Dr. KK Nohria, Chairman of the National Board for Quality Promotion was the Guest of Honour. The show saw an overwhelming visitor and exhibitor response from across the globe testifying the show was Asia's most successful Water Event.

Organized by EA Water the 7th EverythingAboutWater Exhibition 2010 had record breaking facts that set the expo apart from all other water events. The show was sold out with the entire hall booked by leading players in the industry. The exceptional visitor turn-out ensured 100% exhibitor satisfaction.

OUR SPONSORS

With best of water technologies from around the world displayed under one roof, the show was a perfect meeting place for buyers and sellers in the Indian water market. The exposition showcased latest developments available for water harvesting, water conservation, irrigation, water treatment, wastewater recycling, desalination etc. Stakeholders from government departments and funding agencies, senior level managers from the water industry, decision makers from the end-user industries as well as industry observers and experts interacted with each other made the event an excellent platform for networking and relationship building. Exhibitors identified the immense potential of the Indian Water Sector while the visitors had the opportunity to explore the various options available for water management.
