The EverythingAboutWater Expo 2016 witnessed the largest gathering of water & wastewater professionals in India. For the first time ever, over 100 international exhibitors from across the world would showcased their technologies at an event in India. With Canada and Italy participating as Partner Countries, British Water as the Supporting Partner and the international pavilions of China, Taiwan, and Canada, the show had participants from over 32 countries.

Another highlight of the event was a delegation of 11 companies from Denmark and 20 companies from Canada, who had come down to explore the ever growing Indian water industry.

Over the past 13 years the event has emerged as a perfect gateway for stakeholders from across the globe to penetrate into the vast and dynamic ecosystem of the Indian water industry to identify business opportunities, network key stakeholders and introduce water solutions to India.

EXPO STATISTICS

The exhibitor participation from both domestic as well as International companies and the large number of visitors augur well for the Indian Water Industry and reflected the strong state of water market. Companies and visitors took full advantage of opportunities to exchange ideas and information; numerous business opportunities were generated and cooperation agreements reached. The event was well booked out days before the opening date.

The show has clearly emerged as the premier water show in India and this is affirmed by the fact that we had **CLOSE TO 60% REBOOK OF SPACE** for the Expo in June 2017.

THE EVERYTHINGABOUTWATER HALL OF FAME

RECOGNIZING THE TOP INFLUENTIAL PEOPLE IN THE INDIAN WATER INDUSTRY

It is not just personal wealth or company turnover, it is not just control over people, plants or resources, only a selected group of people really possess the intellect, finance and clout to effect a change for better or worse. Their decisions affect the industry, its growth and policies.

This year EverythingAboutWater instituted its maiden Hall Of Fame Awards to recognize the most influential players who matter to the Indian Water Industry. The honors were awarded at a glittering awards ceremony to 14 people from the industry who added tremendous heft and glamour to the event.

OUR EXTENSIVE MEDIA COVERAGE ACROSS THE NATION

Keeping in line with the trend for the last 13 years the event generated a lot of media interest and hype which is reflected through the coverage listed below

SHOW DAILY

EverythingAboutWater has launched a Show Daily "**AQUA TIMES**" - a special newspaper in a tabloid form (for the first time in the history of Water Exhibitions in India) - to give the visitors, delegates, chief guests and exhibitors an idea of what they can explore at the expo.

AQUA TIMES has provided a glimpse of the event by covering the interviews, press releases and the product launches of the exhibitors. 5000 copies of the AUQA TIMES were launched and distributed on Day 2 and Day 3 of the Expo - among all the participants.

TESTIMONIALS

An excellent platform to showcase our products and also build relationships with existing customers

Neeraj Saxena
Howden

We are participating for the first time in north India and would like to be a part of the show next year

Mrunal Pawar
Watson-Marlow
