Redefining Excellence in Water & Wastewater Innovation

A Defining Year for EverythingAboutWater Expo 2025

The 20th edition of the EverythingAboutWater Expo & Conclave 2025 concluded with outstanding success, reaffirming its stature as South Asia's largest and most impactful gathering for the water and wastewater sector. Organized from 28th to 30th August 2025 at Hall No. 12A, Bharat Mandapam, Pragati Maidan, New Delhi, the event brought together a powerful mix of industry professionals, innovators, policymakers and global leaders from across the water management ecosystem.

The EverythingAboutWater Expo & Conclave has long served as a premier platform for dialogue, collaboration and knowledge exchange. It enables technology providers to showcase breakthrough solutions while connecting directly with decision-makers and stakeholders across water treatment, infrastructure and sustainability domains.

This year's edition placed strong emphasis on tackling today's most urgent challenges—**water scarcity, efficient wastewater treatment, and the adoption of smart water technologies**. By spotlighting innovation and sustainable practices, the Expo once again drove meaningful discussions and collaborations aimed at shaping the future of water management.

KEY HIGHLIGHTS

6780

TARGETED VISITORS FROM CORE SECTORS

The Expo drew participants from trade, key end-user industries and government organizations, sparking purposeful discussions on pressing water management challenges and creating opportunities for stakeholder collaboration.

279

DISTINGUISHED DELEGATES

Senior representatives from industries and government bodies shared valuable perspectives, underlining the critical role of water management across diverse sectors

130

GLOBAL TECHNOLOGY SHOWCASE

Global exhibitors presented technologies and innovative solutions, enabling attendees to discover fresh approaches for tackling water and wastewater challenges.

21

THOUGHT LEADERS & EXPERTS

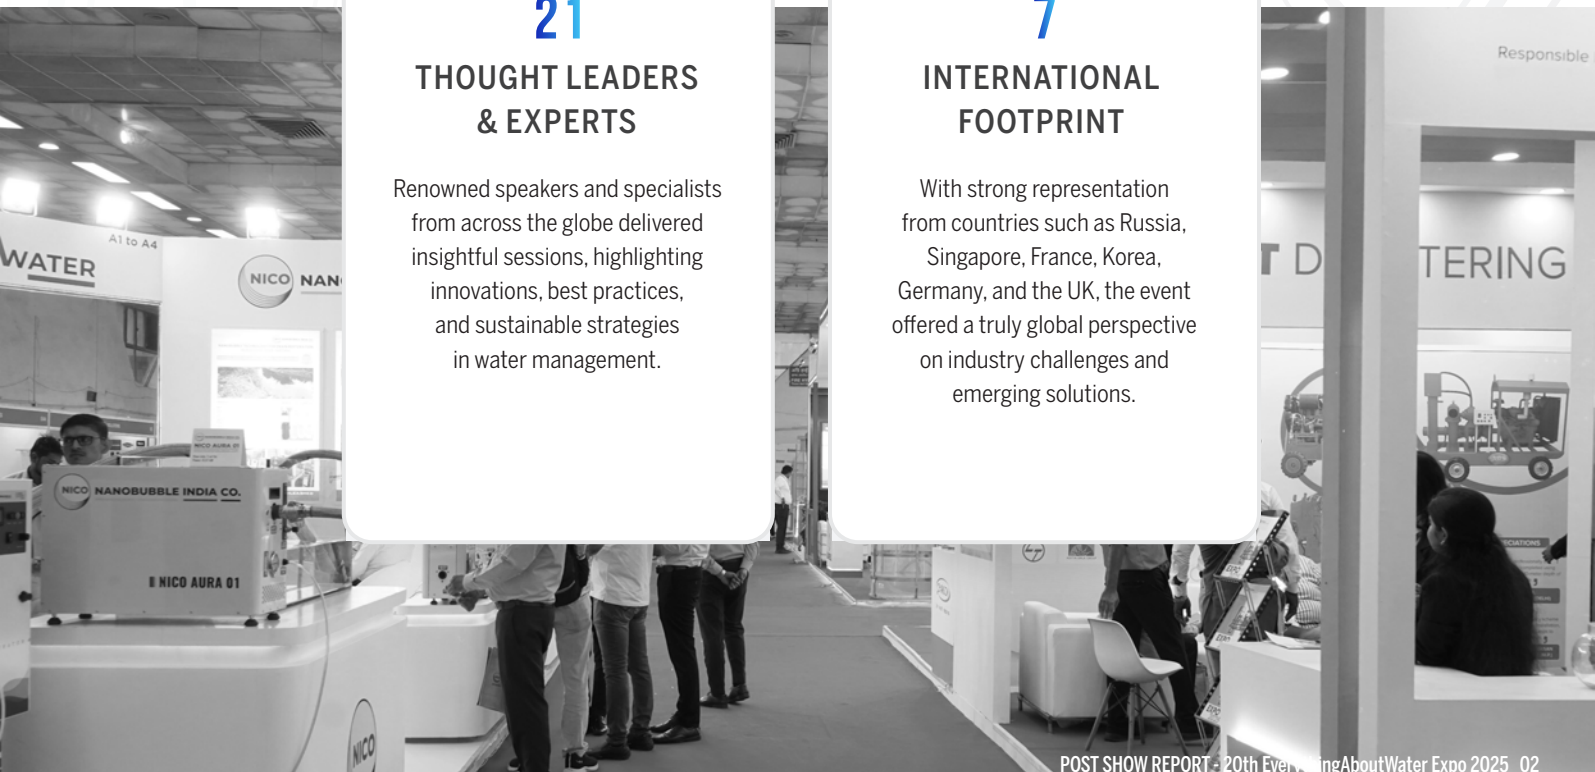

Renowned speakers and specialists from across the globe delivered insightful sessions, highlighting innovations, best practices, and sustainable strategies in water management.

7

INTERNATIONAL FOOTPRINT

With strong representation from countries such as Russia, Singapore, France, Korea, Germany, and the UK, the event offered a truly global perspective on industry challenges and emerging solutions.

EXTENSIVE EXHIBITOR SHOWCASE AND INDUSTRY SPONSORSHIP

The EverythingAboutWater Expo 2025 brought together more than 130 leading exhibitors, each presenting breakthrough technologies, products, and solutions driving the future of sustainable water management. From advanced treatment systems and smart filtration to automation, monitoring, and control technologies, the exhibition highlighted a comprehensive range of innovations tailored to address today's most urgent water and wastewater challenges.

Some of the prominent exhibitors and sponsors included:

- Capital Power Systems Ltd.
 - Centrepont Lifestyle Products Private Limited
 - CJS Specialty Chemicals Pvt. Ltd.
 - Delhi Jal Board
 - Doshion Poly Science Pvt Ltd
 - Drexel Electronics & Engineerings Products Pvt. Ltd.
 - Efftronics Systems Pvt. Ltd.,
 - Ekam Eco Solutions Pvt. Ltd.
 - Eltech Ozone Private Limited
 - Energenius Technologies Pvt Ltd
 - Energy Bots Pvt. Ltd.
 - Envirozone Private Limited
 - Grace Green Infra Pvt Ltd
 - Hanna Equipments (India) Pvt. Ltd.
 - Harambh Chemicals Pvt. Ltd.
 - Hindustan Bottling and Engineers
 - Integro Process Heating Solutions
 - IOTA Nanotechnology Pvt Ltd
 - Jain Irrigation Systems Ltd.
 - Jewelinnova Private Limited
 - Jinnys Co Ltd.
 - KISTERS AG
 - Lodhi Ideatech Private Limited
 - MacSun Technologies Pvt. Ltd.
 - Mini Dose Solution Pumps
 - Minson Cooling Towers Pvt. Ltd
 - MMP Filtration Pvt. Ltd.
 - Murugappa Membranes (Parry)
 - Nanokriti Pvt Ltd
 - National Water Mission
 - Neelam Aqua & Speciality Chem Private Limited
 - Neerway Projects Private Limited
 - Nico Nanobubbles India Co.
 - Pristine Water
 - Pure N Safe Pvt. Ltd.
 - Re Sustainability Limited
 - Ripple Smart Metering Limited
 - Saratec Engineering
 - Sustainico Technologies Private Limited
 - Swan Environmental Pvt. Ltd
 - Toshniwal Instruments Mfg. Pvt. Ltd.
 - VA Tech Wabag Limited
 - Vasu Pharmatch
 - Vishvaraj Environment Ltd
 - Wah Engineering
 - Water Management & Plumbing Skill Council
 - Water Offsets Ltd
 - Welspun Corp Ltd
 - Yokogawa India Limited
 - Zilmet S.p.A.
- And many more.**

The participation of key government bodies, including the **Delhi Jal Board**, **Ministry of Jal Shakti** and the **National Water Mission**, reinforced the critical role of policy-driven initiatives in advancing water conservation and emphasized the importance of collective action.

This milestone event was made possible through the unwavering support of our valued sponsors:

A GLOBAL ALLIANCE FOR WATER SUSTAINABILITY: HONORING OUR DISTINGUISHED DIGNITARIES

We were privileged to welcome **H.E. Mr. Reuven Azar, Ambassador of Israel**, as the **Chief Guest**, and **H.E. Ms. Lalatiana Accouche, Ambassador of Seychelles**, as the **Guest of Honour**. Their presence underscored a shared commitment to strengthening international cooperation and driving forward sustainable solutions in water management.

SUPPORTING ORGANIZATIONS & MEDIA PARTNERS: DRIVING IMPACT, EXPANDING REACH

The EverythingAboutWater Expo & Conclave 2025 was greatly enriched by the invaluable support of our Supporting Organizations and Media Partners, who played a pivotal role in broadening the event's visibility and influence. Their collaboration not only amplified awareness but also reinforced the Expo's mission of advancing innovation in water management and sustainability. Through their extensive coverage and dedicated engagement, the event was elevated to new heights—fostering stronger connections across industries, governments, and global stakeholders.

- H.E. Reuven Azar, Ambassador of Israel to India
- Mr. Amit Kapur, Founder, Chairman & MD, Nico Nanobubble India Co.
- Mr. Saurabh Arora, Senior General Manager, Vishvaraj Environment Limited
- Mr. B.K. Labh, Vice President – MIS Projects, Jain Irrigation Systems Limited
- Ms. Shilpi Gupta, Scientist D, Central Ground Water Board
- Mr. R.K. Singhal, Add. Chief Engineer (Retd), Delhi Jal Board
- Mr. Biplob Chatterjee, CEO & Director, Geovale
- Mr. Bhushan Pachpande, Head – Sustainability, VA Tech Wabag
- Ms. Noa Amsalem, Israeli Water Attaché
- Mr. Ofir Amami, Israeli Trade Attaché
- Mr. Ramit Bangroo, General Manager, Bermad
- Mr. Abhishek Mathur, Aquestia
- Mr. Gaurav Parmar, Area Manager – North, Netafim Irrigation India Pvt. Ltd.
- Mr. Joab Kirsch, CEO, H2OLL
- Mr. Santosh Shetty, Country Manager, Atlantium
- Mr. Sebin B. Abraham, Assistant Manager, Murugappa Membrane
- Mr. Pathik Gajjar, Director – Infra & Industry, Axis Solution Limited
- Mr. Bhushan Pandit, Executive Manager – Life Science BU, Yokogawa India Limited
- Mr. Herin Sai Kumar, Head – Operations & Growth, Ripple

ATTENDEE DEMOGRAPHICS

The EverythingAboutWater Expo 2025 brought together a vibrant mix of professionals from every corner of the water sector. Attendees included representatives from government agencies, end-user industries, water trade, EPC companies, consultants, media and other allied sectors. This diverse participation created a dynamic platform for collaboration, knowledge sharing, and the exchange of innovative ideas shaping the future of water and wastewater management.

Attendee Breakdown:

HIGHLIGHTS THAT MADE AN IMPACT

Our Reach and Impact

This year, the EverythingAboutWater Expo achieved an exceptional digital footprint. Our website recorded over 2.6 lakh visits, while social media generated more than 35,000 engagements from industry professionals and stakeholders. We received 18,000+ direct inquiries, showcasing the strong interest and active participation from the community.

In addition, our paid campaigns delivered over 76,000 actions, significantly boosting awareness and engagement. The event also gained extensive visibility through media coverage and popular YouTube creators, amplifying its presence across digital platforms and expanding its influence globally.

EXHIBITORS SPEAK: SHARING THEIR EXPERIENCE

The success of the EverythingAboutWater Expo 2025 is driven by the valuable contributions of our exhibitors. Their innovations, products, and expertise helped create a vibrant platform for learning, networking, and business growth. Here's a glimpse of what some of our esteemed exhibitors had to share about their experience at this year's event.

It was an honor for VA Tech Wabag to participate in Water Expo 2025 as the Sustainability Partner. The event served as a remarkable platform to exchange ideas, showcase innovations, and engage with global leaders in the water sector. Our Head of Sustainability, Dr. Bhushan Pachpande, was privileged to deliver a keynote session on Circularity in water for Sustainability, reaffirming Wabag's commitment to building a Cleaner, Greener, Bluer planet for future. We sincerely thank EverythingAboutWater (EAW) for organizing such a well-curated event that inspires collaboration and drives the water industry forward.

Everything About Water Expo 2025 was a very good platform for showcasing advance solutions in area of Harmful Algal Blooms monitoring using FlowCam (Flow Imaging Microscopy). Many visitors to our stall were amazed to see offerings by Yokogawa in area of Drinking water health monitoring. This expo gave us first opportunity to connect with policy makers, Scientists and collaborators in area of Drinking Water monitoring. In fact one/two enquiries were made from fellow solution provides as well. We will look forward to associate further with Expo team.

Exhibiting at 20th Edition of Everything About Water was a fantastic opportunity for us to connect with industry professionals, showcase our latest bottling machines, and gain valuable exposure. The event was well-organized, with high-quality attendees and meaningful interactions. We're proud to have been part of it and look forward to future editions.

Participating in the 20th Everything About Water Expo 2025 was a valuable experience for NICO Nanobubble India Co. and IOTA WATER. The event was seamlessly organized and provided an excellent platform to showcase our indigenous nanobubble technology while engaging with key stakeholders and industry leaders. We sincerely thank the EAW team for curating such a worldclass forum for innovation, collaboration, and progress in the water sector.

Our participation at the Water Expo'25 was a valuable experience. The event was well-organized and provided us with an excellent platform to showcase our offerings, engage with prospective clients, and network with industry peers. We appreciated the support from the organizing team and the overall arrangements at the venue. Going forward, we believe that adding more promotional activities and interactive opportunities for exhibitors could further enhance visitor engagement. Overall, the exhibition was successful for us, and we look forward to participating in future editions. Our suggestion is to organize the same by end of JULY every year. Before the start of festive season.

Driving Innovation in Water Quality Monitoring for a Sustainable Future

We are grateful to the Everything About Water exhibition team for the opportunity to showcase our innovative water quality monitoring solutions. The event was a valuable platform to connect with industry leaders, explore emerging trends, and highlight the importance of continuous, real-time monitoring for safe and sustainable water management. Our cutting-edge technology reflects our commitment to improving water infrastructure, supporting environmental stewardship, and building a cleaner, safer future for all.

A wonderful experience at EAW Expo Delhi 2025! Great to see the Indian market's response to international participants like Water Offsets Ltd (UK). We connected with many potential collaborators and clients—looking forward to what's ahead!

Grateful to be part of Everything About Water Expo 2025! The event strengthened our Mediqua brand presence across India, expanded our network, and inspired new ideas for the future.

Solinas was glad to exhibit at Everything About Water, showcasing our water and sanitation solutions while connecting with experts tackling water and wastewater challenges. A valuable experience—we look forward to future editions!

It was a great experience exhibiting in the Everything About Water Expo.

20TH EVERYTHINGABOUTWATER EXPO & CONCLAVE 2025: A VISUAL JOURNEY

Take a look at the dynamic moments from South Asia's largest water and wastewater event. From thought-provoking sessions by industry leaders to networking opportunities and cutting-edge innovations on display, experience the energy, excitement, and innovation of the EverythingAboutWater Expo & Conclave 2025 through this curated image gallery.

A SINCERE THANK YOU TO OUR SPONSORS, EXHIBITORS, AND ATTENDEES

The EverythingAboutWater Expo & Conclave 2025 was a tremendous success, made possible by the invaluable support and participation of our sponsors, exhibitors, delegates, and visitors. Your enthusiasm, engagement, and commitment helped make this year's event one of the most influential gatherings in the water and wastewater sector.

We extend our heartfelt gratitude to:

Our Sponsors for their steadfast support and dedication to advancing the water industry

Our Exhibitors for presenting innovative solutions and connecting with visitors

Our Delegates and Attendees for bringing energy, insight, and engagement, making the Expo truly memorable

TOGETHER, WE'RE ADVANCING TOWARD A SUSTAINABLE WATER FUTURE.

We look forward to seeing you at the next edition of EverythingAboutWater Expo & Conclave in 2026.

Stay connected and follow us on our social media channels for the latest updates, insights, and highlights!
